911 RIDE

What is it like to be a fire fighter or police officer ? Kids can experience it first hand at Adventure City. When they enter into our police and fire station buildings, kids get to try on real fire fighter jackets and helmets. (Parents, have your cameras out for this one).

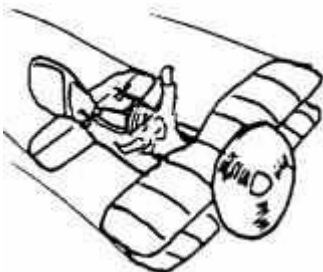

ADVENTURE CITY TRAIN

This special train was built in 1938 and was the main attraction of Hobby City for almost 25 years before Adventure City was built in 1994. After extending its rails, the "Adventure City Express" now gives guests a full-circle tour of the park. Of course, no train station would be complete without conductor calls over the loud speaker and "Chattanooga-Choo-Choo" playing in the background.

ARCADE

Test your skills in the Adventure City Arcade where you will find an assortment of challenging skill-based games for every family member. Don't forget to collect your tickets and redeem them for lots of fun prizes. You've earned it!

AIRPORT AREA

Walk through our miniature airport terminal, learn a little about aviation and listen to our airport control tower operator try to keep sanity in the Adventure City skies. Then it's off to the Barnstormer planes where kids are in control of how high they go into the wild blue yonder. Or maybe it's off to the Great Balloon Race where wild hot air balloon baskets rise and spin over 25 feet in the air!
